Tracking Process

Telephone Calls

Each young person listed was called until contact was established or a minimum of 3 times during working hours and once out hours (after 6pm or weekends) when possible a message was left asking the young person or parent/guardian to contact the caller. Destinations were obtained from 76% of young people listed.

For each young person we were unable to reach on the telephone the LCCIS database was searched for those who live in London and a social media searched if they could be not found on LCCIS. Where possible text messages were sent
