<p>2. Matters arising</p>	<p>Strategy meeting from April 2015 involving a wide range of agencies and services was discussed. TM outlined the positive impact this had particularly with regard to our police liaison officer who plays an active role in the day-to-day running of LAPA, while also keeping us updated about how our learners are active on the streets. It had been agreed that we would have a police officer on site; this was not a realistic option even though it had been promised at the strategy meeting.</p> <p>Terms of reference of LAB to be forwarded on.</p> <p>Following the resignation of our parent representative last year we have yet to appoint a replacement – TM to action</p> <p>Minutes – Glen to meet with Zoi</p> <ul style="list-style-type: none"> - Natasha Bishop to meet with TM re collation of working at Latimer <p>Prevent Strategy – Positive / negative experiences by LAPA - Need to update policies</p> <p>Report WB went through the report and highlighted:</p> <p>Term 1 – Challenge partners – Outcome was outstanding</p> <p>Term 3-6 - Work scrutinies to take place</p> <ul style="list-style-type: none"> - Learning Walks - Links to performance Management <p>Staffing Increase in staffing – we have had two new members of SLT appointed, one as Director of Learning to replace Kate Maidment-Young and another who was to cover maternity leave. Data analysis

LAPA adapted RSDS sheets to suit own – more meaningful and led to better interventions by LAPA staff

Option Changes – has had a better impact – more flexibility

Year 11s changed to timetables lessons/Catch classes – staff willing to engage

Interesting discussion on Life after levels – developing own model - LAPA very much leading on this change in “Learning Attitudes”

Eve to send over St TM version of level line/grades

The development of a TBAP Life after Levels model means that TBAP will not be one of the 12-15% of schools not following this radical change to assessment.

Attainment

TBAP targets aspirational

Academic mentoring very effective. Form tutors taking responsibility for overall progress

A weekly LAPA bulletin has been introduced by Wasm (DOL) – is very useful- please copy in Eve and Glen

Discussion of school development plan – staff now engaging more

How meaningful is it?

Demonstration of Blue wave swift carried out – we are becoming more experienced with the system.

Both EP and GP have been provided with guest logins for BWS. A discussion took place about the projects within BWS which are part of the TBAP 2020 Vision. The Ragging process and progress within each project was also discussed.
