

Latimer AP Academy Curriculum Offer 2020 – 2021

We continue to offer a broad curriculum that provides an element of choice underpinned by a strong core. This enables us to prepare learners for a return to mainstream without compromising on potential outcomes for those who complete their examinations here at LAPA.

In addition, enrichment will allow learners to enjoy, achieve and participate in activities that will aid their emotional and mental wellbeing as well as develop their cultural capital outside the core and options offer. This will include spoken word and creative writing workshops, art and craft activities, museums and theatre visits as well as other workshops and sporting sessions organised with external agencies.

Inclusion and SEN in the curriculum is planned carefully and specifically to match learners' needs. Additional specialist advice may be sought eg Speech and Language, when appropriate and, when necessary, technology and/or interventions with identified teachers and LSPs will be used to support the learner. The broad range of accreditation from Unit Awards, Entry Level Certificates and Functional Skills to BTECs and GCSEs ensure that we can cater for the majority of our learners.

The following table outlines the structure of the offer by year group. There are a total of 28 lessons a week
