GUIDANCE ON COMPLETING AN APPLICATION FORM

Please read these notes carefully as they have been written to help you make the best of your application.

Details Personal

Complete this section fully and clearly. All successful applicants will be required to produce documentary evidence of their eligibility to work in the UK. Verification of identity is required before confirmation of appointment.

Present or Most Recent Employment

It is important to give full information, including the organisation or school you currently work in, or most recent employment if not currently working, full dates, addresses and other requested details.

References

For all school based employees, your referees will be contacted prior to interview under the DfE safeguarding children and safer recruitment. Your first referee should be your current or most recent employer. We reserve the right to approach any previous employer for a reference. If your last post did not include working with children, a reference will be sought from your most recent previous employer where you were working with children. Note that references will be treated confidentially, but may with consideration be released on request.

Previous Employment

Include here any relevant work experience, including part time or work undertaken on a voluntary basis in this section, starting with your most recent experience. Ensure you put in full details of dates, names and addresses and your job title. **You will need to explain any gaps in your employment.**

Education, Qualifications and Training

Ensure that you give all the information requested. Proof of qualification is required before the appointment is confirmed.

Personal Statement

This is an important part of the application form and is your opportunity to explain how you meet the person specification for the post. You should demonstrate your skills, knowledge and experience and give short examples. Describe how you match the requirement of the job; include experience gained from previous jobs, community or voluntary work. Ensure that the information you give is well organised, relevant and brief. You may find it helpful to list each person specification requirement as a separate heading to explain how you meet that requirement. If you do not complete this section of the form you will not be considered for short listing. CV's will not be accepted.

Additional Information – Disability

If this applies to you, please let us know the help you require and we will ensure that reasonable adjustments are made.

Disclosure of a Criminal Record

All positions within the School will be exempt from the Rehabilitation of Offenders Act 1974. You must declare all cautions and convictions including those that are 'spent', and you will be subject to an Enhanced Criminal Records Bureau check if you are successful. You must provide details of any conviction(s) or offence(s) in a sealed envelope marked private and confidential with your application form.

If you do have a spent conviction this will not automatically disqualify you from employment. TBAP Multi-Academy Trust operates a Disclosure procedure in line with CRB guidelines. If you are successfully selected for a position within the School you will be subject to this procedure. All Disclosures are carried out in the strictest confidence and are made only in connection with your application for employment and for no other purpose. All School based posts will require an Enhanced Disclosure

In the event of a successful candidate having a criminal record, the candidate will have the opportunity of discussing the disclosure with a senior member of staff. As a minimum, the following will have been taken into account:

- Whether the conviction or information was disclosed during the application stage;
- Whether the conviction or information revealed is relevant to the job;
- How long ago the offence(s) took place;
- The candidates age at the time of the offence(s);
- The number and pattern of offences;
- Any other relevant circumstances

No decision will be made until your explanation and the above issues have been considered.

If you believe the disclosure information is inaccurate you would need to contact the DBS.

All disclosure information is kept securely and will only be seen by those who need to use it to carry out their duties. The disclosure forms are not kept on personal files.

Declaration: Relatives and Other Interests

If this applies to you, please give the name of the employee, the Department they work in and the relationship, eg partner, daughter
