Apologies: Glen Peache

AGENDA ITEMS	DISCUSSION POINT	WHEN
1. Apologies for Absence	Glen sent his apologies and as the meeting was not quorate EP and TM had a discussion around progress at LAPA	
2. Matters arising	<p>Decant arrangements</p> <p>TM updated EP regarding the proposed decant, now postponed until September 2017. EP concerned about the impact of uncertainty as this has been postponed a number of times and expressed concern about the fabric of the building. Explained timetabling had been done carefully to incorporate any changes in order to effect a smooth transition. Building is not ideal but work is proposed to take place well before the decant. Nevertheless TM to take concerns to Exec Head Krishna Purbhoo.</p>	By 1 st January 2017
	<p>Head of School Report</p> <p>EP commented on the good work going on at LAPA in spite of the challenges posed by environment and location. The focus of the discussion was on the outcome from the recent Challenge Partners Review which resulted in a judgement of Outstanding. EP wanted TM to pass on the congratulations on behalf of the board.</p>	immediately
	<p>Challenge Partners Review</p> <p>Very positive report and TM explained that TBAP/LAPA is in transition regarding assessment with. Our positive and bold approach to assessment after levels was discussed. Although we are in transition with this model across TBAP we feel we have a good handle on the principles underpinning this approach. It suits us as our learners are not subject to an ongoing discussion as to whether they will attain their "target" grades of Ds, Es, Fs or Gs. The focus is on learning.</p>	
	SIP/SEF	

	The version in Bluewave Swift is always available but EP has asked that a summary SIP?SDP is made available for ease of reading and in time for Ofsted. TM to take back to SLT and get document in place	January 20 th 2017
	Keele survey – positive The Keele survey was discussed and acknowledged by EP as a good piece of work and a reflection of the ethos of Latimer.	
	Safeguarding issues The safeguarding concerns at the school continue to be of concern. Whereas in the previous year the main concern was gang-related activity, this year the main concerns were mental health of young people and girl – gang activity. With regard to the latter TM referenced a meeting set up by our Director of Access and Inclusion which was now being accessed by many different triborough professional agencies, an example of us taking the lead on these matters.
